SUMMARY

Passionate about connecting people and ideas through design. I bring experience in both physical and digital environments. I strive to create identities and communities that are engaging, culturally aware and rooted in everyday narratives.

EXPERIENCE

Graphic Design Intern
Ace & Tate · Amsterdam, NL

Nov 2025 - Current

- Designed internal brand materials and oversaw print production while updating localized price lists across markets.
- Developed seasonal merchandise concepts and created foil graphics and in-store visual assets.
- Worked with the Art Director, Graphic Designer, and cross-functional teams to deliver cohesive brand execution.

Graphic Design Intern
Blueyse Agency · Utrecht, NL

Sep 2025 - Oct 2025

- Designing and redesigning web & mobile experiences for B2B brands.
- Developing UI elements to ensure visual consistency.
- Structuring web design with SEO and user experience in mind.
- Contributing to our brand revamp by redefining its vision and digital presence.

Graphic Design Intern
BANK™ · Berlin, DE

Sep 2024 - Nov 2024

- Contributed 50-80% to the full visual identity process for projects such as Staatliche Museen Berlin : Gemäldegalerie, Galerie 21 im Vorwerkstift, and TU Berlin: CUE.
- Created print and digital materials to ensure brand consistency and developed a pitch deck to present the project's goals and key messages.
- Created motion graphics for visual identity using After Effects, optimizing brand impact across online channels.

E-commerce Design
Tapoff · Seoul, KR

Sep 2019 - Jan 2020

- Worked in the distribution market and Omni channels that connects users to physical products and digital platforms.
- Assisted in visually optimizing online product listings to enhance user experience.
